In a collaborative effort, AACT staff, editorial team, and others work to make AACT news and offerings more digitally accessible while making each issue of *Spotlight* richer with featured articles, interviews, and how-to content. The AACT website is regularly updated with expanded content from the print magazine (including members-only articles), and continual access to the digital version of *Spotlight*.

The print editions of *Spotlight* are mailed to AACT members and subscribers in March (Spring), June (Summer), September (Fall) and December (Winter).

Spotlight continues to be the direct voice to reach theatre customers! We look forward to building new ways and outlets for the targeted audiences and connections you seek.
