

EXAMPLES of 4 - 6 - 8 group schedules. Keep in mind not everyone will take full length of time for performances - but normally they will for tech. Keep performances in blocks so if a first show of block is shorter, you can proceed directly into next show of that block alerting audience you will do so. 15 minutes in minimum time with AACT Commissioner. Each schedule can be adjusted to 3 - 5 - 7 groups.

4 GROUPS (CAN BE DONE IN ONE DAY)	6 GROUPS	8 GROUPS
