Proposed AACTFest 2023 Schedule (Tuesday start - 7 Sessions; 12 adult/5 youth max.4 would be better)

Notes: For a Tuesday start schedule with 7 sessions, 12 adult and 5 youth productions.

This is a schedule that condenses the amount of time for youth productions to be in Louisville and still keeps some of the youth and adult shows intermingled.

The Awards ceremony, if held in the theatre, could not start before 7:00pm.

*This schedule would only work if Tech meetings for adult shows could take be somewhere other than theater.

I think we should only publish Session start times to give us some flexibility as the festival progresses.
